### Check-in:

When arriving at Eagan, you will see a main entrance that includes a patient drop-off area. There are wheelchairs available (located within the entryway).

- » The **main clinic** and **OrthoQUICK** check-in desk are on the first floor, just as you walk in. There is also an information desk on the first floor to assist with any questions, directions, and concerns.

- » If you are here for **physical therapy, hand therapy, MRI, spinal injections, or joint camp**, you will check in on the second floor. You will not need to check in or stop on the first floor, and you can head directly to floor two. The procedure suite is also located on the second floor.
- » If you are visiting someone who has had surgery at Eagan, and the patient is in the Care Suites, that person will be on the second floor.
- » **Surgery Center** is located on the third floor. The elevator is located to the left as you walk in the main entrance.
