

We provide the full spectrum of arthritis treatment, offering both surgical and nonsurgical options.

For those needing surgery,
we are your joint replacement
experts, performing over

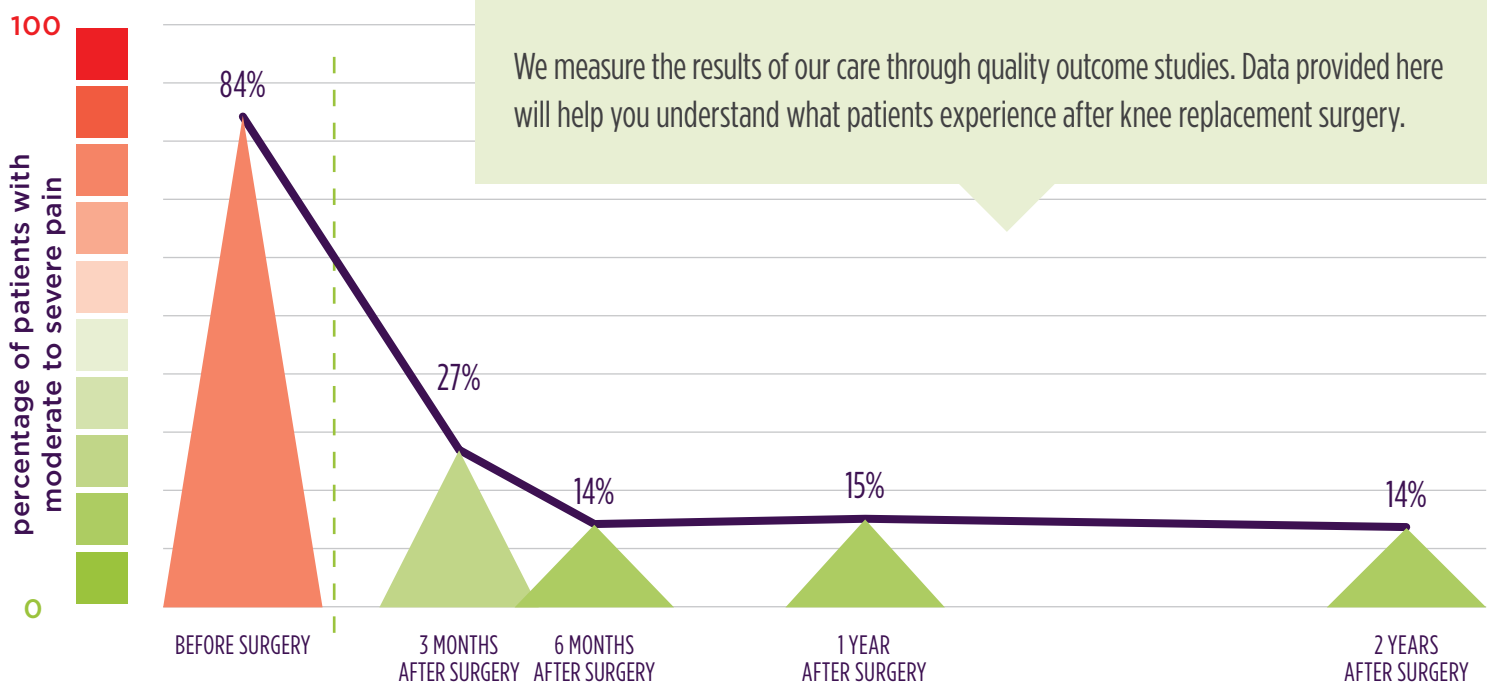

2,000

knee replacement surgeries
each year.

We are the **only** surgery center in
Minnesota awarded The Joint Commission's
Advanced Certification for Total Hip and
Total Knee Replacement.

AVERAGE PAIN LEVELS: BEFORE AND AFTER SURGERY

We measure the results of our care through quality outcome studies. Data provided here will help you understand what patients experience after knee replacement surgery.

KNEE REPLACEMENT SURGERY: EFFECTS ON LIFESTYLE
